ORGANIZE, DEMOCRATS.

I hereby request and urge the Democratic committee of each civil district of Benton County to call the Democrats of their respective districts together and organize Democratic clubs, and let's make a strong pull for the Democratic ticket from top to bottom.

W. A. LASHLEE,
Chairman County Democratic Executive Committee.

The Knights of Pythias special train, Nashville to New Orleans, will leave Nashville at 12 o'clock noon Sunday, October 14, and will pass Camden in the afternoon. The train will carry the Tennessee Division Uniform Rank Knights of Pythias, the K. of P. band and many other Knights of Pythias.

The newly elected magistrates, who have taken oaths to faithfully perform the duties resting upon them, have taken hold and are working like veterans. They owe it to themselves and to the people of our county to give the best service in their power, and we are confident that they will do this. The time has been, and not a great while ago, when quarterly court would generally hold a two days' session. Now the same business is generally disposed of in a days' time or less. In fact, it is often the case that the business of the court has nearly been disposed of by noon on the day of meeting. Our worthy county judge and the other officers of the court are entitled to a full share of the credit. We might add that this desirable (because it is more economical) change has been brought about since the creation of the office of county judge.

CURES WINTER COLDS.

J. E. Gover, 101 North Main Street, Ottawa, Kan., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to be up and well." 25 cents, 50 cents and \$1.00. Sold by Fry Drug Co.
